IT IS STRONGLY RECOMMENDED THAT HORSES SHOULD BE SHOD AND WEAR STUDS.

RULES

1. HARD HATS – It is the sole responsibility of riders to ensure that whilst mounted correctly **fitted protective headgear with a 3 POINT HARNESS** complying with the latest British Standard is worn. The Society accepts no responsibility for any injury arising from a failure to comply with this regulation.

2. DRESS – Teams must be correctly dressed for a day's hunting. In the event of extreme heat and subject to relay judges' approval, riders may compete in the relay section in either '**Ratcatcher**' or a **LONG SLEEVED SHIRT** - however for reasons of safety the shirt **MUST** be correctly fastened at the cuff.

3. SIDE SADDLES are permitted.

4. The competition is a Drawn Order against the clock with two teams jumping a mirror image course. In the event of insufficient entries the organisers may decide to take the fastest 16 teams from Round One forward to Round Two which will then revert to a knockout competition to determine placings. Time penalties of five seconds added for each fence down. Refusals and errors of course will increase the time taken to complete the course.

5. HUNTING WHIP – Each team to provide their own **Hunting Whip**. The lash must be either taped up (no longer than the solid length of the crop) or removed and must be carried during each round before being handed to the next competing member of the team. If dropped, the rider handing over must dismount and may from the ground hand to the next member, however in **all** cases each member must complete **all** obstacles carrying the whip – penalties **will not** be incurred for riders re-jumping a fence to rectify an error as failure to rectify will result in elimination. **Change-over must** be carried out by fence one, penalties will not be added if the rider handing over also jumps the first fence again, but the receiving rider must have the whip in hand when jumping the first fence. **No other whip is to be used or carried.**

6. A Holding Area will be included within the course – team members must stay inside the area and remain mounted at all times. Five penalties added for team members **not** inside the area unless they are the rider awaiting changeover – this is the only combination permitted at the start line. Outside assistance from team members at the start is not permitted. On completion of their round the combination must return to the holding area – failure to do so will incur further penalties.

7. If a team member fails to complete the course either through retirement due to injury or having three refusals, the next member must complete the rescue round from the point of retirement before commencing their own round. A rescue is only to be made if the member has had three clear refusals on the course or have retired from injury. In the event of a serious accident to either horse or rider, a bell will sound and clocks stopped for both teams. Competitors cannot restart the course until the injured rider / horse have left the arena, Judges will then sound a bell and the competition will recommence from the point stopped.

8. FALLS – *If a competitor falls from their horse, whether during competition or not they must be seen by the on-site Doctor/Paramedic before they are permitted to re-mount or leave the event.* If the horse and/or rider are ruled un-fit to continue, the Team may remain in the competition but one team member must complete the course twice – each time with the appropriate change of whip. The Judges **must** be notified before the start of the round **and a 10 second time penalty will be imposed on the Team.**

9. OBJECTIONS – Any Team or Team Member with a grievance must make their protest in writing within 30 minutes of the completion of the class and pay a deposit of **£50.00**. An Appeals Tribunal will consider the objection and the person making the objection must be available to attend. The decision of the Appeals Tribunal shall be final and if the protest is not substantiated the deposit may be forfeited.

10. STALLIONS - No person may bring a stallion to compete without ensuring at all times competitors, ponies/horses and members of the public are not put at risk. A stallion disc to be displayed on each side of the bridge and they must be lead from a bit.

11. Refunds are at the organiser's discretion – Withdrawal Refunds only given if a replacement team found.

12. The Chief Steward's decision is final.
